YOUR JOURNEY STARTS HERE

The North Yorkshire Moors Railway is one of the world’s greatest heritage railway experiences with thrills and family fun at its heart. Climb on board a steam or heritage diesel train and experience 24 miles of Yorkshire’s amazing scenery at this must-see visitor attraction.

The charitable trust is a not-for-profit charitable organisation run as part of the local community. Every visitor that travels on the railway helps preserve one of the earliest and most historic lines.

The historic market town of Pickering still holds its traditional market every Monday. Around the corner from the railway is Beck Isle Museum where you can discover the heritage, history and culture of life in Pickering.

Visit Pickering’s 13th century castle to discover how it was used throughout the centuries. Don’t forget to head up to the Market Place to browse the many great shops or to visit Pickering Church, home of the famous medieval wall paintings.

Pickering Station is a must-see 1930s themed station that will transport you back in time to the steam era. The station itself is a great place to soak up the atmosphere, pick up a souvenir or pop into a traditional railway tea room.

Explore Levisham Station which is surrounded by the North York Moors. Take a trip back in history and experience a 1950s style railway station which is also home to the NYMR’s artist in residence. During weekends, bank holidays and special events the Weighbridge Tea Hut is open serving tasty snacks and drinks to visitors, walkers and cyclists.

Request STOP!

Deep in the heart of the North York Moors National Park lies Newton Dale Halt. Access to this station can only be made via the NYMR, on foot or with the assistance of a mountain bike which makes it the perfect place to spot some magnificent wildlife.

Steeped in history, Whitby is known for its quirk narrow streets and bustling harbour overlooked by the striking ruins of Whitby Abbey. Explore the Captain Cook Monument Museum, where you can learn about the famous explorer’s life or visit the Dracula Experience on the seafront.

**Staying in Whitby?**

Climb on board a heritage train and explore further afield by taking a trip to the market town of Pickering. Trains depart daily from Whitby Railway Station.

**Disclaimers:**

Every effort is made to run to the timetable and to operate all trains with steam unless otherwise advertised.
