INSTRUCTIONS FOR THOSE BRINGING DOGS TO NYMR HOLIDAY ACCOMMODATION

We want to make those with dogs feel welcome to the NYMR and enjoy their holiday with us at our Heritage accommodation. In order for us to make you and your dogs enjoy your time with us please see the information below.

Please specify at the time of booking if you intend to bring your dog(s). An extra charge is applicable £50.00 per week, maximum of two pets allowed in each property. Registered guide and hearing dogs belonging to those with visual and hearing impairments stay without charge.

Canine Code of Conduct

In our experience it's rare to find luxury accommodation that accepts dogs, but we believe the two needn't be mutually exclusive! For your pet's safety and the consideration of other guests, we do ask that dogs and their owners follow a few simple rules while they are staying:

- Dogs must always be properly controlled and supervised. Not all outside areas of dog friendly homes are completely escape-proof for dogs. If you need advice on finding the most appropriate dog friendly holiday home for you, please contact our team. Please keep dogs on a lead at all times when near the stations.
- Dogs must not be left unattended in the holiday properties.
- Dogs are not permitted in bedrooms or on any furniture. We therefore advise owners to bring a dog basket where one is not already clearly included at the property. This is in order to keep the houses in the highest condition for all our guests.
- Guests are asked to clean up after dogs, both inside and outside of the property, or extra cleaning costs may be charged. Securely wrapped dog waste should be disposed of in the external bin.
- Our lineside areas are managed for conservation and neighbouring land is farmed and managed. Please keep your dogs under control at all times and comply with requirements to keep them on the lead particularly around sheep and bird ground nesting areas.

- Any damage should be reported immediately to our estates team using the contact details provided in the welcome pack.

Damage

If your dog(s) cause any damage to the property you will be charged accordingly for any damages.

Yours faithfully

Stephen Long
