PLAN YOUR RAIL ADVENTURE AT
[NYMR.CO.UK/GROUPS](https://nymr.co.uk/groups)

WELCOME TO OUR RAILWAY

The North Yorkshire Moors Railway is looking forward to welcoming your group to our special line. With 24 miles of Yorkshire's amazing scenery and a fleet of heritage steam locomotives and diesel engines your customers will enjoy a real step back in time.

Whether you wish to include a short journey or spend a full day, you will find journeys and activities to please all.

Walkers can enjoy a gentle but scenic trackside walk between Grosmont and Goathland, while engineering buffs can pop into our sheds at Grosmont and see work being done on our locomotives. A must-see visit is of course to Goathland Station which is known as the location for Heartbeat, Harry Potter, and more.

PRE-BOOK YOUR GROUP TODAY AND ENJOY THE FOLLOWING BENEFITS:

- Generous discount on your fare (minimum of 20 people).
- Free admission for the group leader.
- Reserved seating.
- Dedicated group reservation team.

Visit [NYMR.CO.UK](https://www.nymr.co.uk) for our up-to-date news and special events.

FUSS FREE ACCESS

We're committed and continuously working hard to make our site as accessible as possible for all to enjoy and feel included. Before you visit you can familiarise yourself with our stations with our online Access Guides to help you plan your visit.

Ahead of your Group Visit it is important that you let us know if any of your passengers have mobility issues and will be bringing walkers or wheelchairs. We have two wheelchair spaces on most services but these do have to be booked in advance by passengers. If these are already booked our Customer Services Team will be able to advise you.

Once we are made aware of any mobility issues for any groups visiting we can inform Station Staff and Guards ahead of the visit. We will also be able to inform the relevant team so that they can seat your group accordingly on the train.

If you have any specific access requirements or would like to request additional information ahead of your visit, please call us at 01751 477700. Lines are open 09:30 to 12:30 and 13:30 to 15:00 Mon-Sat.

During your visit please speak to a member of staff or our dedicated team of volunteers should you have any further questions, or require assistance.

Detailed information can be found using the following link: [**NYMR.CO.UK/ACCESS**](https://www.nymr.co.uk/access)

PAYING FOR YOUR BOOKING

Please be advised that once you have decided to book, we will inform you of the 50% non-refundable deposit to be made to confirm your booking. This deposit must be paid within the time limit shown otherwise we will not be able to hold the booking on our system.

Please note final numbers and final payment will then be required no later than 14 days before the date of travel. We must receive your final numbers or cancellation in writing. Unfortunately, we cannot accept a telephone call as we will need this information for audit purposes. Once we have received your final numbers, you will receive a confirmation of these numbers and the amount you must pay 14 days before travel.

If we do not receive your final numbers 14 days before the date of travel, you will have to pay for the amount of passengers we were last informed of and logged on our system. If we do not receive the final payment by the date shown, we reserve the right to remove the booking from our system without exception.

We offer one free ticket per booking for your group leader. When supplying your final ticket numbers, please indicate whether this includes one free person; please note we only allow one free person per booking (this applies to any Tour Guides who form part of your final numbers).

We do not accept vouchers on the day and any additional passengers on the day will be charged the full fare which has to be paid before travel at our Booking Offices. Any extra passengers on the day will not have reserved seats with the rest of the Group.

For our records, please let us have the email address of your Finance Department.

COACH PARKING

It is important that you inform all of your Tour Guides and Drivers ahead of their visit to the NYMR of restrictions with coaches:

PICKERING STATION - YO18 7AJ

The bus lay-by on The Ropery is the nearest and only drop-off point in Pickering, do not leave the coach unattended as this is a working bus stop. The coach park in Pickering is situated in Eastgate on the Scarborough side of the A169/A170 roundabout (charges apply).

There is no coach access outside the station on Park Street so please inform your drivers accordingly as the Highways Department has said this causes traffic congestion.

LEVISHAM STATION - YO18 7NN

Levisham is not accessible by coaches.

NEWTONDALE HALT

Newtondale is not accessible by coaches.

GOATHLAND STATION - YO22 5NF

You are not able to park the coach at the Station.

Please note that Goathland Station has a steep incline which is not suitable for those with mobility issues or wheelchairs.

Coaches must use the car park in the centre of the village (YO22 5LX). When travelling from Pickering please use the second road (Cow Wath Bank Road) normally used by coach operators.

GROSMONT STATION - YO22 5QE

We advise coach companies to access Grosmont Station via the A169 from the village of Sleights (Eskdaleside). Please do not enter the village via the A169 Pickering/Goathland direction. Shortly after arriving in Grosmont, coach companies are required to turn around in the National Park car park and drop off passengers outside the NYMR Station House.

Please be aware of a bridge with a clearance height of approximately 13ft 3ins.

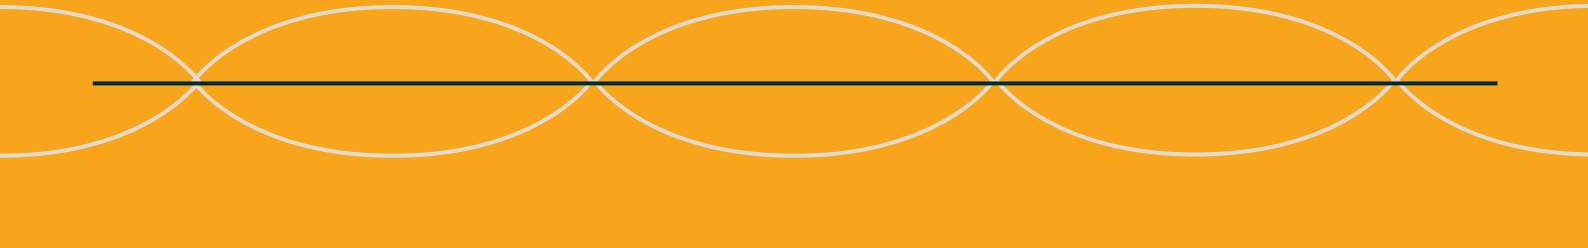

WHITBY STATION - YO21 1YN

Coach parking is next to the railway station, Marina Back Car Park. Please be aware you are not able to use the Car Park outside Whitby Station.

DID YOU KNOW?

- The line from Whitby to Pickering was originally built as a horse-drawn railway in 1836, making it one of the oldest railways in the world.
 - The NYMR hosts a fleet of over 20 locomotives built between 1904 and 1965, along with three sets of passenger coaches from the 1950s and 1960s British Railways era.
 - Each of our stations is themed to a particular era; Pickering the 1930s, Levisham the 1910s, Goathland the 1960s and Grosmont the 1950s.
 - The vast majority of our staff are volunteers, and the railway itself is a charitable trust dedicated to the preservation and operation of the line for the education of future generations.
 - In 2007 the NYMR became the first heritage railway to be permitted to run on the public railway network, on the 6-mile stretch between Grosmont and Whitby.
- 

EXPLORE OUR STATIONS OVERVIEW

- **Pickering Station** is a not to be missed 1930s-themed station that will transport you back in time to the steam era.
- Explore **Levisham Station** which is surrounded by the stunning North York Moors National Park.
- A must-see is the celebrity station of **Goathland**, which became Hogsmeade Station in the first Harry Potter film and was used in the TV series Heartbeat.
- Explore **Grosmont Station** which is home to the operating and engineering world of the NYMR. If you are lucky, you might be able to catch a sneaky peak at the work taking place on our engines!
- Visit **Whitby** with its narrow streets and bustling harbour overlooked by the striking ruins of Whitby Abbey.

PICKERING STATION - YO18 7AJ

This 1930s-themed station will transport you back in time to the steam era. The station itself is a wonderful place to soak up the atmosphere, pick up a souvenir, or pop into a traditional railway tearoom.

The historic market town of Pickering still holds its traditional market every Monday. Around the corner from the railway is Beck Isle Museum where you can discover the heritage, history, and culture of life in Pickering.

Visit Pickering's 13th-century castle to discover how it was used throughout the centuries. Do not forget to head up to the Marketplace to browse the many great shops or to visit Pickering Church, home of the famous medieval wall paintings.

LEVISHAM STATION - YO18 7NN

Surrounded by the North York Moors National Park, Levisham is ideal to travel by rail and embark on a countryside walk. Take a trip back in history and experience a 1912-styled railway station in the melt-water valley.

On some weekends, Bank Holidays, and Special Events the Weighbridge Tea Hut is open serving tasty snacks and drinks to visitors, walkers, and cyclists.

NEWTONDALE HALT

Deep in the heart of the North York Moors National Park lies Newtondale Halt. Access to this station can only be made via the NYMR, on foot, or with the assistance of a mountain bike, which makes it the perfect place to spot some magnificent wildlife. Just let the guard know you intend to disembark and enjoy exploring the quiet and magnificent woodland.

GOATHLAND STATION - YO22 5NF

A must-see is the celebrity station which became Hogsmeade Station in the first Harry Potter film and featured as Aidsfield in the ITV programme Heartbeat.

The charming village of Goathland is just a few minutes' walk up the bank from the station, with a great range of shops and pubs. You could explore the National Park; and embark on a country walk along the Rail Trail back to Grosmont or to the Mallyan Spout Waterfall. Goathland Station has its very own shop and a tearoom which is in a converted 1922-style goods shed.

GROSMONT STATION - YO22 5QE

Home to the operating and engineering world of the NYMR, here you will find the engine sheds where our steam and diesel locomotives are maintained and restored. Head through the George Stephenson tunnel built in 1835, and you will find yourself at the shed shop. If you are lucky, you might also be able to catch a sneaky peak at the work taking place on our engines.

The 1952-themed Grosmont Station is the junction where the heritage railway ends and the main rail network begins, connecting both Middlesbrough and Whitby to the NYMR with the Esk Valley Line.

WHITBY STATION - YO21 1YN

Steeped in history, many visitor attractions are connected to the town's fascinating past, such as the Captain Cook Memorial Museum, where you can learn about the famous explorer's life in the port town. Other things to do in Whitby include visiting the Dracula Experience on the seafront, where you can be guided through the story and learn about its connection to the town. A trip to Whitby would not be the same without climbing the 199 steps to Whitby Abbey, counting as you go, and exploring the beautiful ruins that tower over the town.

Many flock to Whitby for its boutique shops and quirky streets, where you will find unique Whitby jet jewellery and other fascinating items. The town is also home to several annual events including the Bram Stoker International Film Festival and the Whitby Goth Weekend. There are countless options for those interested in walking in the North York Moors National Park, as the clifftop walks along the coastline are part of the Cleveland Way, and the Lyke Wake Walk finishes at nearby Ravenscar.

Staying in Whitby? Climb on board a heritage train and explore further afield by taking a trip to the market town of Pickering. Trains depart daily from Whitby Railway Station.

SAFETY INFORMATION

We hope you enjoy your visit to the railway and to make sure you do, we would like to remind you of a few safety tips. Be aware that this is a heritage railway, which runs steam and heritage diesel locomotives with historic carriages. Particular care should be taken when walking around the railway, as there can be uneven surfaces.

Each group booking should have either a Group Tour Leader or a nominated Lead Passenger who is informed of your booked service departure times, along with pick-up and drop-off locations.

Please inform us in advance if you require any special assistance.

Do not lean out of the windows, as you may get soot in your eyes or be clipped by low-hanging branches.

Never open the doors or touch the handles when the train is moving.

Keep your fingers away from all door hinges. Always take care when getting on or off the train.

Mind the gap! When on the platform, leave plenty of space between you and the platform edge.

As with all railways, never walk on or near the track.
